

News Maker

Monday to Sunday 24/7

Fairfax Radio Syndication offers a unique service with News Maker; designed for stations who want the format convenience of compiling and presenting their own news bulletins without all the associated costs.

News Maker supplies your station with the text and audio from the major Australian newsrooms of Fairfax News Network.

News Maker is both a news and general program resource.

Broadcast Benefits

- News copy fed continuously into your local system via satellite, or both text and audio is available from our online management system <http://newsmaker.fxrs.com.au/>
- News resources of 2UE, 3AW, 4BC, 5AA and 6PR.
- Australia's largest commercial radio news network.
- Commercial radio's largest Canberra bureau.
- International correspondents.
- Search by Category, Title, Source;
- All associated audio grabs in a "save as" file download, or listen on-line

Logistical Benefits

- 24/7 technical support.
- The service is available via web and satellite.
