

News Year in Review

Annual Feature

The Year in Review presented by Steve Blanda is a package of segments covering the major events of the year in news and current affairs. The Year in Review can be programmed throughout the second half of December or as a program feature across the last day or weekend of the year. Each of the fully produced segments feature audio actualities from the stories as they went to air.

Broadcast Benefits

- 11 x 90 seconds segments.
